This is a call for nominations for the Knights of St. Andrew Community Service Awards. Nominations can be submitted by any individual or institution that has an interest in recognizing individuals who have influenced others through their positive work to support the community.

The Scottish Rite, Knights of St. Andrew Community Service Awards recognize individuals, faculty, staff, students and community partners in the District of Columbia who are involved in outstanding community service.

A monetary award goes to each recipient selected from nominations submitted by various educational institutions, service organizations, social service resources and public service organizations. Recipients are selected based on their work to improve the community in our Nation's Capital, particularly in the areas of, but not limited to: education, health, economic development, social services, the arts, and culture. The nominations will be reviewed by Scottish Rite Masons and evaluated on the impact of the action on the community, individuals, and the supported organization.

Multiple \$2,000 Scottish Rite Outstanding Community Service Awards will be presented at the Washington, DC Scottish Rite Annual Awards Program in November of this year.

Nominations will be accepted on or before July 31 of this year.
