- Scottish Rite Creed

This is a call for nominations for the Knights of St. Andrew Community Service Awards. Nominations can be submitted by any individual or institution that has an interest in recognizing those individuals who have influenced others through their positive work to support the community.

These Community Service Awards recognize individuals, faculty, staff, students and community partners in the District of Columbia who provide outstanding service in their communities in the areas of education, health, economic development, social services, the arts, or culture.

The nominations will be reviewed by the KSA Committee, and recipients are selected based on their work to improve the community in our Nation's Capital. A monetary award goes to each of up to five recipients selected from the nominations submitted.

Those selected to receive the Scottish Rite Outstanding Community Service Award will be invited to attend the Washington, DC Scottish Rite Annual Awards Program in November of this year, to receive their check and a certificate attesting to their outstanding service.

Nominations will be accepted on or before July 31 of this year.
